

Dear Educator,

Please encourage your graduating seniors to apply for the **16th Annual Marcia Howe Scholarship Awards**. The PRINTMAKERS OF CAPE COD are looking for two graduating high school seniors who will be majoring in art to compete for two \$1000 college scholarships. Students do not need to be studying printmaking, as any art related programs are acceptable for this scholarship.

Because of the pandemic, PCC will conduct the Portfolio Review in a digital format this year, instead of meeting with the students in person. The Review of Portfolios will take place on Saturday, May 14, 2022, so we would like to receive images by May 11, 2022.

We ask each applicant to submit 8-10 jpgs of their original artwork (recommend 200 dpi). Each image should be numbered and titled with the student's last name and first initial, medium, and size.

Applicants need to include a written statement (2-page maximum) explaining their submitted images (an Artist's Statement) and outlining their intended focus of study and school they are planning to attend along with any related plans for their future.

Voting by the PRINTMAKERS will take place by closed ballot after the portfolios are reviewed. All applicants will be informed of the scholarship results.

Deadline to apply is May 14, 2022, all of the information and art files should be sent to: printmakerscapecod@gmail.com.

If you have any questions please email printmakerscapecod@gmail.com or visit our website www.printmakersofcapecod.org

I have attached this information to this email as a pdf.

Thank you!

Cathryn Lonsdale
